

Dear Future Dance FX Team Members and Parents,

We are so excited that you are considering joining our studio family and part of an award-winning organization.

The competitive teams at Dance FX enable dancers to advance their dance skills and technique in a nurturing environment, while developing long-lasting bonds of friendship, fostering a positive self image, and promoting a love of dance. Dedication and discipline are essential from the dancer and her parents, as a team membership requires a large commitment of time and financial responsibility.

We put in hours of hard work; however we have so much FUN doing it! I, as their Director, can ensure that your child will experience a year of not only growing as a dancer but a person. We all become so close here and I am beyond blessed to be a part of the Dance FX Family!

We hope that you choose to audition for one of our competitive teams and embark upon an incredible year here with us at the studio!!!!

With Love,

Afton Fox-Beadles
Senior & Junior Team Director
